

Privacy Policy

This page is used to inform Application visitors regarding our policies with the collection, use, and disclosure of Personal Information if anyone decided to use our Service.

If you choose to use our Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that we collect is used for providing and improving the Service. We will not use or share your information with anyone except as described in this Privacy Policy.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, which is accessible unless otherwise defined in this Privacy Policy.

Log Data

We want to inform you that whenever you use our Services, in case of an error in the app we collect data and information (through third party products) on your phone called Log Data. This Log Data may include information such as your device Internet Protocol ('IP') address, device name, operating system version, the configuration of the app when utilizing our Service, the time and date of your use of the Service, and other statistics.

However, the app may use third party code and libraries that use 'cookies' to collect information and to improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some portions of this Service.

Information Collection and Use

For a better experience, while using our Service, we may require you to provide us with certain personally identifiable information. The information that we request will be retained by us and used as described in this privacy policy.

Service Providers

We may employ third-party companies and individuals due to the following reasons:

- To facilitate our Service;
- To provide the Service on our behalf;
- To perform Service-related services; or
- To assist us in analyzing how our Service is used.

We want to inform users of this Service that these third parties have access to your Personal Information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for

any other purpose. We use this data only for general statistics and it is not used to individually identify a person.

Links to Other Sites

This Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by us. Therefore, we strongly advise you to review the Privacy Policy of these websites. We have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

Security

We value your trust in providing us your Personal Information, thus we use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

Age limitations

We do not knowingly collect or solicit personal data about or direct or target interest-based advertising to anyone under the age of 13 or knowingly allow such persons to use our Services. If you are under 13, please do not send any data about yourself to us, including your name, address, telephone number, or

email address. No one under the age of 13 may provide any personal data. If we learn that we have collected personal data about a child under age 13, we will delete that data as quickly as possible. If you believe that we might have any data from or about a child under the age of 13, please contact us.

We do not knowingly contact or do business with children under 13 years of age. If a parent/guardian becomes aware that a child under the age of 13 has attempted to contact and/or do business with us, please advise us by email at us so that we may rectify the situation.

Children's Privacy

As creators of kids apps, we adhere to The Children's Online Privacy Protection Act (COPPA) (<http://www.coppa.org>) When it comes to the collection of personal information from children under the age of 13 years old, the Children's Online Privacy Protection Act (COPPA) puts parents in control. The Federal Trade Commission, United States' consumer protection agency, enforces the COPPA Rule, which spells out what operators of websites and online services must do to protect children's privacy and safety online. The privacy of your child is of paramount importance to you and we respect that. We DO NOT ask for or collect any child specific data like name, age, school, etc., anywhere in the apps. We do not let third-parties, including plug-ins collect personally identifiable information from children. The In-App Purchases or Subscription Service are accessible only via the

parental gate. Only after you enter the correct answer to the parental question, will the access to the parent page be granted. There are NO third-party advertisements in our app other than Google Admob and any app-related third-party links such as social media pages, support and website are only accessible behind the parental gate and child lock buttons.

Changes to Privacy Policy

We reserve the right to modify our Privacy Policy at any time simply by posting such modification on this site and without any other notification. Any such modification will be effective immediately upon posting on this site.

The use of the information we collect is always subject to the Privacy Policy that is in effect at the time when this information is collected. You are advised to refer to the Privacy Policy from time to time so that you are always in sync with our current privacy practices.
